## COMMERCIAL RECONSTRUCTION

It is important to choose a vendor who can provide both expedited services and attention to detail when rebuilding a commercial facility. Blackmon Mooring and BMS CAT Reconstruction is uniquely qualified to provide interior and exterior construction services while closely working with insurance professionals to ensure a seamless restoration experience.

## RESIDENTIAL RECONSTRUCTION

Rebuilding a home following a disaster requires a unique skill set. The Blackmon Mooring and BMS CAT Reconstruction team has the experience to restore your home providing peace of mind that your home is safe and secure.

## MULTI-FAMILY HOUSING RECONSTRUCTION

Rebuilding the interior and exterior of multi-family housing brings forth the challenge of working with "multiple families." Blackmon Mooring and BMS CAT Reconstruction Project Managers are experienced in bringing all parties together to meet or exceed expectations.

## BOARD UP

When a building is exposed, it is imperative to mitigate the damage as quickly as possible. Blackmon Mooring and BMS CAT Reconstruction responds to customers 24 hours a day.

## EMERGENCY REPAIRS

Unexpected damage to your facility costs your business money. Time is of the essence. That's why Blackmon Mooring and BMS CAT Reconstruction responds to customers 24 hours a day.

## CONTROLLED DEMOLITION

When portions of your facility are damaged, care must be taken to ensure that only damaged portions of the facility are removed. Blackmon Mooring Reconstruction will work with the customer to ensure that demolition is beneficial to the overall project.

## 24 HOUR RESPONSE

Emergencies don't always happen during working hours. We understand that you need your facility back as soon as possible. That's why Blackmon Mooring and BMS CAT Reconstruction works 24 hours a day, 365 days a year to restore your facility.

## LOSS CONSULTING

Insurance losses can be complicated and clarifications are often necessary. Blackmon Mooring and BMS CAT Reconstruction is available to assist you from start to finish.

## WHY CHOOSE US?

Since 1948, the Blackmon Mooring companies have been the experts in cleaning, recovery and restoration. From residential and commercial cleanup to natural disasters, we're trusted with some of the biggest jobs in the world.

## PROJECT MANAGEMENT SERVICES

Should your facility suffer a loss such as fire or water damage, Blackmon Mooring and BMS CAT stand ready to assist in your successful recovery efforts through project management services. Our restoration specialists will prepare a scope of work for the recovery, provide budget and timeline management, provide quality control and ensure a safe environment. We will provide project specific documentation to the standards of your management, your insurance company and any other parties involved. Additionally, Blackmon Mooring and BMS CAT can be a valuable resource for managing multiple contractors.

## PROFESSIONAL ACCOUNTABILITY

Blackmon Mooring and BMS CAT are accountable to you, our client. We maintain a highly committed staff of motivated professionals including Health and Safety Professionals, Engineers, Construction Technicians and Microbial Remediation Specialists who offer the expertise and specialized skills necessary to address your organization's unique recovery needs. If needed, we have a worldwide network of conservators and preservation experts that can assist with your recovery.
