

## RISK MANAGEMENT SYSTEM AND SUPPORT

# Welcome to Sentry Insight<sup>®</sup>

Managing risk is now smarter, easier, and more efficient. Sentry Insight provides access to all of your claims activity in an easy-to-use system. It's safe, secure, and accurate, simplifying your work while saving you time and money. Your benefits include:

### CLAIMS ACCESS

Track, search, sort, and manage all your claims in one spot.

Your time is valuable. With Sentry Insight, you have both a comprehensive overview as well as complete claim detail information available. You can search your claims by claimant, claim type, date, and other variables. You can also see financial, compensation, and legal details. With predefined claim views and the option to create custom views, you get the information you need the way you want it.

### REPORT CAPABILITY

Review more than 70 interactive charts and graphs to discover trends and analyze data.

View claims data graphically with Sentry Insight's dashboards—a great way to view trends in your business. These interactive charts allow you to examine the details and view multiple variables at once.

Sentry Insight makes reporting easy, instant, and intuitive. Run reports based on standard templates or customize your own by modifying the columns, sort order, grouping, or other criteria. Use a simple series of drop-down menus and clearly labeled functions to create even complex reports easily.

### ALERT SYSTEM

Receive alerts anytime, anywhere via text, email, and online.

Sentry Insight delivers instant alerts on important events. View these customized system notifications on the Alerts tab, Sentry Insight home page, or via text message or email. You can configure alerts to deliver updates on claim status as well as financial and legal activities.

### SAFETY MATERIAL

Keep safety in mind with industry articles, tips, and insights.

Managing risk isn't just about data. It's also about knowledge. Sentry Insight features an entire section to help prevent a loss. This wealth of information allows you to stay up-to-date on the latest ways to help maintain a healthy workforce, reduce accidents, and build a safety culture.

### PERSONAL WATCH LIST

Stay updated on claims that matter most to you.

Not all claims are created equal. With Sentry Insight's Watch List, you can easily and instantly keep track of your most important claims.
